

The Wisconsin Society of American Foresters (WI SAF) seeks your partnership and invites you to become a sponsor or exhibitor at our state conference on October 28 and 29 in Green Bay, Wisconsin at the Tundra Lodge Convention Center.

This year's theme is "Wet Forest Management" and will feature speakers from the Wisconsin Department of Natural Resources, Wisconsin County Forests, and others presenting the latest research and management initiatives pertaining to "wet" forests in the Great Lakes Region. Topics include Best Management Practices to protect water quality and riparian zones, silvicultural systems, case studies and wildlife management considerations. The second day may include a field tour to forests in the Green Bay area depending on the ability to access locations with a high-water table. Otherwise, an interactive program involving speakers will be scheduled at the Convention center. Information about the benefits associated with various levels of support is enclosed.

Information about the benefits associated with various levels of support is enclosed. Sponsorship levels begin at \$125 with increasing benefits at higher levels, including complementary registrations and banquet tickets. A sponsor/exhibitor form, with more information about the benefits associated with various levels of support is enclosed. Please fill out the form and send it with a check or email the form and pay using a credit card on the Event Brite registration site we expect to open later this summer. Either way, let us know as soon as possible so your logo can have a longer display time on the website.

If your organization is unable to sponsor this year but would still like to have a display table, we will have the opportunity on the Eventbrite registration page to request a table when registering as a conference attendee. Note that sponsoring at and above the \$250 level includes a table.

We appreciate your consideration to sponsor this informative meeting, please contact me by phone at 608-451-2356 (cell), or email at highknollroad59@gmail.com, or by mail with my address listed below on sponsorship details or any questions you have about our event.
